

## ***Who's Really On Your Side??***

Roughly 250,000 individuals are vying for your trust and claim to be putting your interests first.

However, 232,000 of those are working for commission and are therefore salespeople.

The remaining 13,000 are sworn to a fiduciary duty to do what is best for their clients.

Netting & Pace is proud to be one of those 13,000.
